

FAQs: Dating Support and High End Matchmaking Services by SuccessMatch

Q What is SuccessMatch?

A SuccessMatch is the leading provider of dating support and high end matchmaking services for successful singles. Based in Switzerland, we have helped elite singles find love since 2005.

Q Who is the SuccessMatch target group?

A We define the SuccessMatch target group as local and international highly successful professionals in Switzerland. Most of our clients live and work in Switzerland, however many have international backgrounds. Very often, clients come to Switzerland thinking they will stay 2, at the most 3 years, and 15 years later they are still here. Male clients range in age from early thirties to early seventies. Female clients from mid-twenties to early sixties. They may be single and never married, or divorced, or widowed. Clients tend to have strong academic backgrounds, they tend to have very busy professional lives, they tend to live a healthy lifestyle and enjoy an excellent quality of life.

In fact, our clients seem to have everything in life except a nice partner to share that life with. Our clients would now like to find that great partner. A professional, confidential, personalized and caring service, which gets them results, is important to them.

Q Does SuccessMatch have an equal number of male and female clients?

A SuccessMatch always has more female clients... which is entirely in line with the worldwide phenomenon whereby personalized agencies have more female clients.

Q What can I expect from a 15 min complimentary consultation?

A Due to a high demand for our services, SuccessMatch does all first complimentary consultations via Skype with camera. The 15-minute complimentary consultation gives us a

first impression of whether there could be a fit between us. As you will have already read these Frequently Asked Questions before we meet, we can focus on you and your needs and whether there could be a fit. If there is further interest, you may then book a 50-minute paid consultation with Trea Tijmens, CEO of SuccessMatch and award-winning dating expert.

Q What can I expect of the 50 minute paid consultation by Skype?

A The 50-minute consultation via Skype with camera serves to identify your dating and relationship goals as well as determine your current status / what your starting point is. During the consult, you will discuss what is important to you in a partner and establish your key search criteria. Trea will help you identify what has been standing in the way of you reaching your goal. Then she can help you identify how to get from where you are now to your goal, and see how we can best serve you.

Of course, you will also have the opportunity to ask Trea any questions that you may have. The 50-minute consultation by Skype is charged at 250 CHF and when we decide to work together, the 250 CHF that was paid for the 50 minute consultation will be deducted from your fees.

Q May I meet Trea, the CEO of SuccessMatch face-to-face?

A Yes, Trea meets and gets to know every gentleman who becomes a SuccessMatch Elite Matchmaking client and every woman who becomes a Platinum or Platinum Plus client after the 50 minute skype consultation, one-on-one and in person.

Q How long has SuccessMatch been doing this?

A Trea Tijmens, the CEO of SuccessMatch, launched SuccessMatch 14 years ago, in 2005. In the past 14 years, she has touched the lives of over 8000 singles.

Q How long is the SuccessMatch membership term?

Q What is a Match Candidate?

A Being a Match Candidate offers you the opportunity to be matched with eligible singles in Trea's network in Switzerland and abroad. There is a one-time 220 EUR (250 CHF) Registration Fee to be a Match Candidate with SuccessMatch. This Fee includes a 50 minute Skype consultation with Trea and membership of the Smart Singles Success Society.
